

Vergil

2. Georgica

Eine Bibliographie

München 2015

FÜR
CHRISTINE PERKELL
UND
SHIRLEY WERNER

Vorbemerkung zur 2. Auflage

Für die aktualisierte Bibliographie zu den *Georgica* gilt *mutatis mutandis* dasselbe wie für diejenige zu den *Bucolica*: Sie versuchte ebenfalls ab 1980 möglichst vollständig zu sein – hier war Suerbaum 1980b der Vorgänger –, bezog ebenfalls ältere „Klassiker“ ein und ist nun durch Hinzufügung aller erreichbaren Titel bis 2014 ebenfalls auf etwa das Doppelte angeschwollen. Diesmal sage ich gar nichts dazu, sondern verweise lediglich darauf, dass auch jetzt zu den antiken Kommentaren und zum Nachleben nur Literatur erscheint, die ganz speziell die *Georgica* berücksichtigt, so dass wieder die *Aeneis*-Bibliographie zur Ergänzung herangezogen werden sollte.

Auch jetzt habe ich Regina Höschele, Christine Jackson-Holzberg, Simone Klinger, Maria Oberlinner, Costas Panayotakis, Christine Perkell, Luis Rivero García und Werner Suerbaum für wertvolle Unterstützung zu danken, auch jetzt möchte ich betonen, welch großartigen Helfer und vor allem welch einen lieben Menschen ich in dem langjährigen *Gnomon*-Bibliographen Max Braun durch seinen plötzlichen Tod verloren habe. Künftig werde ich also für das Aktuellste wohl weniger auf die *Gnomon*-Beilage rekurrieren können, aber die laufenden Berichte Shirley Werners im *Vergilius*, die mit bewundernswerter Akribie erstellt sind, bleiben mir, und deshalb widme ich die vorliegende Bibliographie der hochgeschätzten Kollegin sowie der Herausgeberin der Zeitschrift, Christine Perkell. Damit möchte ich zugleich mit großem Dank auf etwas reagieren, was nicht nur das Arbeiten an Schriftenverzeichnissen erheblich erleichtert: die Tatsache, dass eine mit der Bitte um *auxilium* in ein anglophones Land geschickte mail in der Regel noch innerhalb einer Stunde beantwortet wird; wie es dagegen auf dem alten Kontinent meist läuft, schreibe ich hier nicht, weil die beiden am Diskurs beteiligten Parteien es nur zu gut wissen: die, die ewig auf Antwort warten, und die, die ewig oder sogar überhaupt nicht antworten. Ja, und Christine hat sogar einen Rekord erzielt: Als ich mich das erste Mal wegen der Aktualisierung der Bibliographien zu *Bucolica* und *Georgica* an sie wandte, reagierte sie nach 15 Minuten, und was sie spontan schrieb und „anhängte“, war extrem nützlich. Ich weiß nicht, ob dieses besonders erfreuliche Verhalten unserer Kollegen in UK und USA jemals gebührend hervorgehoben wurde – ich habe es jedenfalls hiermit getan.

München, im August 2015

Niklas Holzberg
